Convert Signals To "Walk - Don't Walk"

The traffic light signals on Mass. ave. from Mill st. to Franklin st. have been converted to WALK and DON'T WALK in the pedestrian period, from the "Red and Yellow" cycle.

Certain changes have also been made in the manner of pedestrian use of the traffic lights as required by the State Department of Public Works. Pre-timed or automatic pedestrian cycles are now converted to the push-button type.

Sgt. Arthur Guarente, Safety Officer explains that "a pedestrian that desires to cross Mass. ave. at Medford st., or at any other new traffic location, must be aware of the following procedure: Push the pedestrian button ONCE and WAIT for the electronic relay to intercept the vehicle traffic lights to bring all traffic to a stop by a Red light."

"The pedestrian will start across the street when a white illuminated WALK appears. At Medford st. and Mass. ave., this WALK will remain for 9 seconds, followed by an amber flashing DON'T WALK which indicates to a pedestrian already

in the street that 8 seconds remain to continue to the other side; and for one that has not yet left the curb, to wait for the next pedestrian period.

There is also an additional 4-second delay of all traffic before a green light permits traffic to enter any intersection.

"A total of 21 seconds is allowed for pedestrians to cross on the WALK, whereas 16 seconds were allocated to the Red and Yellow system.

These push-button controls have been installed for the safety and convenience of the public and should be used with proper consideration.

An abuse of these fixtures by constant hammering or pounding not only is a disservice to the public, but is also subject to prosecution as prescribed by law.

Housemaster Plan Wins Praise

A report presented to the School committee on Monday night on the new "housemaster plan" at Arlington High school, cited an improvement in the general behavior of the students and the seniors in particular.

Mrs. Agnes Bray, senior class housemaster for girls, stated that the new operation was most successful in her opinion and provided a better opportunity for communication between students and faculty.

Other housemasters reported favorably, including George Fusco, freshman class; George Lowder, sophomores; and George Lincoln, juniors.

Dr. Bert Roens, superintendent of school, qualified the remarks by saying the situation was not optimum but greatly improved over last year.

In quoting a list of rules and regulations as set up last year, Principal Raymond Locke stated that these would improve the discipline even more. He noted that juvenile offenders from the police department have not been called to the school as many times during the current school year as in other years.

THE TOWN Meeting Warrant closed officially on Monday night at 7:15 p.m. Shown above, l. to r., at the closing are Frank Nickas, executive secretary to the Board of Selectmen; and members John Bilafer, Kevin Feeley, Joseph Greeley, Horace Homer, and Arthur Saul.

Accept 4 More A. H. S. Seniors

Plans for the years ahead have been settled for four more Arlington High seniors, as word has been received of the admission of two boys to Northeastern University, one to Boston College, and a girl to Westbrook Junior college.

Scott Harrison of 247 Park ave. and Philip Littlefield, Jr. of 10 Field rd., have been admitted to Northeastern. William Barton, 105 Wright st., will go to Boston College; and Ann Riese, 6 Cheviot rd., will be at Westbrook next year.

Harrison is the son of Mrs. Gladys Harrison, will attend the colleges of business ad-

ministration, and plans to enter business, probably accounting. In AHS, he has been active in the Dramatic club, Allied Youth and the Internations club. He has also been an officer in DeMolay and active in the young people's work at church.

Littlefield is the son of Mr. and Mrs. Phillip Littlefield, and will attend the college of education on a partial scholarship, planning to major in sciences, particularly physics, with a view to becoming a secondary school science teacher. He has been active in the Science club, the Audio-Visual club, secretary-treasurer of the Radio club, Dra-

matic club, Gilbert and Sullivan club, the Library corps and Allied Youth.

Barton's parents are Mr. and Mrs. Wallace Barton. He hopes to prepare for a career in law at Boston College. He has been a member of the

Employees Ask 5 Per Cent "Across The Board" Raise

A total of 85 Articles have been filed for the 1966 Warrant, the lowest since 1961, when the number was also 85. The record was set in 1962, when 108 Articles were filed.

Several Articles calling for an appropriation of \$143,740 cover matters of pay increases for Town employees. Article 6 calls for a 5 per cent "across the board" pay raise. This involved a possible expenditure of \$142,000.

Article 7 refers to certain employees who now are getting in excess of the salaries listed against their grade in classification and would cost \$873.

Article 8, requests change in grade from MC8 to AG13 for the senior building custodian at the High School, amounting to \$399.

Article 9, also recommended by the Personnel Board, requests a change in grade from AG9 to AG11 for Veterans Services investigator, amounting to \$468.

Article 11 covers a vacation regulation and would entitle employees with five years' service or more to a three-week vacation. The present vacation schedule grants 2 weeks to employees five years' service; three weeks to those with ten years; and four weeks for those with twenty years of service. This request would not cover libra-

rian or assistant librarian as their schedule is governed by different regulations.

Another Personnel Board request involves new classifications as follows: director of Youth Services, grade AG 19; Youth Services case worker, grade AG 17; administrative assistant in Dept. of Public Works, grade AG 14 and an electrician, MC 6.

Street appropriations for 1966 are the lowest since 1950, and amount to \$93,080; covering eleven streets, both those to be constructed and developer built streets.

Five streets to be constructed include: Hillcrest st., from Fisher rd. to Colby rd. \$10,800; Hodge rd., from No. 8 to No. 26 inclusive, to cost \$6,000; Rublee st., from Wollaston ave. to No. 49, to cost \$21,200; Cherokee rd., from Old Middlesex path to Ridge st., to \$31,300; and Farmer rd., from Quincy st. to Robbins rd., to cost \$22,600. This portion of the work totals, \$91,900.

Developer built streets include Melvin rd., from Hodge rd., westerly, to cost \$100; Lennon rd., from Summer st. to Blossom st., to cost \$100; Sleepy Hollow lane from Ridge st. to its end, \$100; Twin circle dr., from Sleepy Hollow lane to its end, \$100; Ridge st., from College ave. to Terex rd., \$100; and another portion of Ridge st., from Longmeadow rd. to Oldham rd., \$680. The total is \$1,180.

Also among the Articles is a request for the confinement of dogs, stating that dogs must be confined to owner's property and kept on a leash of 6 feet in length. A dog would not be permitted on another property, unless with permission.

Award Contract For Lights Here

Senator Philibert Pellegrini notified this paper at press time that the State D.P.W. has announced that they will award contracts this week for the installation of traffic control signals at the intersection of Route 2A and Park ave. ext. The work is to be completed within 90 days of the award.

In compliance with the D.P.W. regulations, the Town rounded the northwest corner at this intersection in 1960. Sen. Pellegrini and Rep. Edward "Ned" Dever have been in contact with D.P.W. officials since 1965, following complaints of residents of the area, because of the traffic hazard especially to children who attend the Peirce school.

Grant Approval Of I. D. Cards

The proposed use of identification cards for young people was again discussed at the meeting on Monday night of the School committee.

A motion was made by Committee member Carl Allen that the use of the cards be approved, providing the school administration could handle the operation.

The value of the cards would be realized for the most part at local dances, it was pointed out by Dr. Bert A. Roens, Superintendent of Schools. He stated that the format of the cards has not been decided and the matter would be turned over to the Arlington Citizens for Youth.

Discuss Taxes Monday Night

The Board of Selectmen voted on Monday night to invite the local Representatives to the General Court and the State Senator from this District to meet with the Board on Monday, Jan. 24, for the purpose of discussing the sales tax issue and Arlington's share under proposed apportionment rates.

Following the motion by Selectman John Bilafer, it was brought out by Select-

The School committee approved two items on the agenda on Monday night, including the Athletic Council budget, in the amount of \$1,000. This is an increase of \$100. The total depends on football game gate receipts.

Mrs. Grace Stafford was in charge of the meeting when Massachusetts school secretaries entertained their business recently at the Parker House. The room was lamp and the ladies and gentlemen decor.

How often do we hear people saying, 'It's raining cats and dogs,' but one doubts if any pair of eyes ever witnessed such an event. And then, we hear folks remark that he or she leads a 'dog's' life. And, if one took a trip, say to New York City, they might think a dog leads a pretty good existence, as the sidewalks are cluttered with ladies and gentlemen 'walking the dog.' And, for those who have no time for this pastime, a 'walker' is hired, and he may be seen with as many as five canines tethered on the end of a long leash. It is really a big business, and while many apartments advertise 'no children,' the four-legged pet is readily admitted. In fact, in some circles it is a sign of really being someone, and he or she without a dog is really a 'square' (whatever that is).

Again, we hear the expression that 'it is a one-horse town,' or it's 'going to the dog's.' Well, it is quite certain there are but few horses in Arlington, but it's really a dog town. At the present time there are over 3000 pets registered, and the cat population is about 5000.

On March 5, 1934 a young man named Samuel Femia appeared before the Board of Selectmen and asked to be appointed the Dog Officer, and while the non-loving members wondered what in the world his duties would be, they duly appointed him.

Well, now they know, as in the past 30 years, over 6000 dogs have been sent to the Animal Rescue League, and over 3000 wondering ones have been sent home to their owners. In addition, over 300 homeless 'mutts' have been found homes, where they were being given board and room at the kennels at 50 Norcross st. which is down off No. Union st., in what was known in years gone by, as goat acre.

In fact, Sam Femia is from that section and today is about the busiest town official we have. He is one of the Town's better-known citizens. When he took the job, Arlington had 500 dogs licensed, so it's not only the taxes that have been increased. Mr. Sam pays no attention to cat's because under the law he cannot collect if scratched or attacked by them, whereby he is protected against injury from some of the more vicious members of the dog family.

But, cats have a place in many an owner's heart. However, not all folks have that affection. A Bill was filed a few years back in the Illinois Legislature, asking them to restrain wandering cats. It passed, but was vetoed by the Governor, with the following remarks: 'I cannot agree it be declared a public policy that a cat visiting a neighbor's yard, or crossing a highway is a public nuisance, because it is the nature of cats to do a certain amount of unescorted roaming. To escort a cat abroad on a leash is against the nature of the owner, and if we resolve by legislation to restrict them, we may have to take sides in the age-old problems of dog vs. cat, bird vs. bird, and even bird vs. worm. So, in my opinion as Governor of the State of Illinois, I feel the governing bodies have enough to do without trying to control feline delinquency.'

Just before Sam Femia became Arlington's first Dog Officer, a call came to the police station that a dog was mad in Arlington Hts., and foaming at the mouth. An officer went to where the dog lay, fired one shot, missed, and the bullet struck a rock, ricocheted across the street and through an open window of a home on the second floor, and struck a lady taking her beauty sleep, on the arm. Luckily, she was unhurt. The dog became frightened at the shot and ran away, where it was found he was ill from eating too much ice cream from a bucket in the rear of a store. So, he and the lady, and the officer, lived happily ever after. Separately, that is.

Menotomy-town could dig up a few extra parking spots along Mass. ave. by eliminating some of the MBTA bus stops. The buses don't use them — at least some don't.

Followed one of those new and shiny vehicles from the Cambridge line to the Lexington line or in reverse. It's an education on wasted space.

Some buses pull all the way into the curb; others park a foot or two from the curb, but out over the bus stop line and into the right lane and others don't touch the stop area at all.

How come? There's a matter of using the space as provided by the Town, and also another matter of safety involved here.

The Town Warrant contains a request for preliminary plans for another school addition. Either at the Locke Dallen or Peirce.

Another addition — bids haven't even been awarded on the Stratton request as yet.

—And why at one of three schools? What kind of answer have we here?

If an addition is needed, it must be at one school, not one of three, otherwise there will have to be redistricting in all three of these schools.

'Dog-gone' that's what Arlington streets will be when and if a dog-leash amendment is approved at Town Meeting.

Keep the dogs on your own property and on a six foot leash.

This is the request. Mister, restraining dogs when needed — great. But there are dogs in bun-

Civil Defense Course Denied

The School committee turned down a request on Monday night for a civil defense course for high school seniors.

An instructor for the proposed 12-hour course would have been supplied by the Mass. Dept. of Education. Material covered would include modern weapons, radio-active fallout, community shelters, home shelters, warning and communication, individual and family preparedness for shelter living and an overview of the National Defense program.

Chairman Joseph Greeley reiterated his stand that Arlington was not getting enough in his opinion, especially in comparison with nearby communities.

Selectman Horace Homer stated that he was in favor of the meeting, if the method of apportionment would be discussed.

ST. CAMILLUS SODALITY
The St. Camillus Sodality of Our Lady will meet in the church hall on Sunday, Jan. 23. Members will receive Holy Communion at the 9 a.m. Mass.

—The Immaculate Conception Ladies' Sodality of North Cambridge will meet on Tuesday, Jan. 25, at 7:45 p.m. and fashion show will take place in the school auditorium.
Mrs. Dorothy Denaro of Arlington is chairman.

Interfaith Meeting
A special interfaith meeting of clergy, representing the Catholic clergy, the Ministerial council and the Jewish community of Arlington, has been called for Monday evening, Jan. 24, by Charles T. Cronin of the Arlington Civil Rights committee, who is serving as liaison to the clergy for "Operation: Good Neighbor." The meeting will take place in the Historical room of the Robbins library at 7:30 p.m., and invitations have been mailed to all members of the clergy.

The purpose of this "Good Neighbor" program will be to promote fair housing practices in Arlington and appropriate methods will be discussed at this meeting. The project will be conducted in the spring by an Interfaith committee of Arlington clergy and lay representatives, assisted by the Arlington Civil Rights committee.

Included in the program will be distribution of facts pertaining to local property values where Negro families have come to live in Arlington, and the distribution of "Good Neighbor" window stickers.

"The Arlington Civil Rights committee welcomes the opportunity to assist our local churches in this worthwhile project," stated Cronin, who also serves as Legislative chairman for the ACRC. "In spite of the Massachusetts anti-discrimination law, discrimination in housing still exists. While it was gratifying to hear the recent statements of President Johnson and Cardinal Cushing regarding fair housing practices, there is still a need for education in Arlington. Fair housing policies are meaningful only when they are practiced at the local level," he emphasized.

At this gathering of the clergy, plans will be made for a meeting in the near future of lay representatives of the various churches that will participate in the fair housing promotion.

ARL. WOMAN'S CLUB

The Arlington Woman's club met on Thursday Jan. 13 at the Town Hall auditorium at 2 p.m.

Mrs. J. Philip Bower president, opened the meeting by wishing all a happy and healthy New Year.

Mrs. Frances Caldwell, chairman of Literature and Drama announced that on Jan. 20, Mrs. Ruth Foster would give a book review at the home of Thelma Sarnow, 14 Addison st.

Mrs. Sidney Kahan, program chairman introduced Martha Lillegren, a talented artist in music, art and photography. She presented beautiful slides in color of New England mountains, the sea shore and the city of Boston. The slides were accompanied by recorded selected sounds and music.

Featured in the Art Corner were New England Countryside picture postcards in color.

Watch out for patches of ice as you drive this winter. Be particularly careful on bridges and overpasses — they can be accident traps for unwary drivers. While melting snow may have disappeared from most of the roadway, bridge surfaces exposed to the cold below may still be slippery.

ZONTA

Zonta board meeting was held on Jan. 13, at the Winchester Country club, conducted by M. Audrey Meade, president. Reports were received from Betty Hart, rec. sec.; Florence Roghaar, treas.; Catherine Kelley, service chairman; who suggested the club investigate the possibility of supporting the Glaucoma clinic under the direction of the local Board of Health.

Also, Mary Simons, finance chairman, announced a Theatre party in May, when Zonta members and friends will attend "The Music Man", to be presented by the Friends of the Drama at Arlington High School.

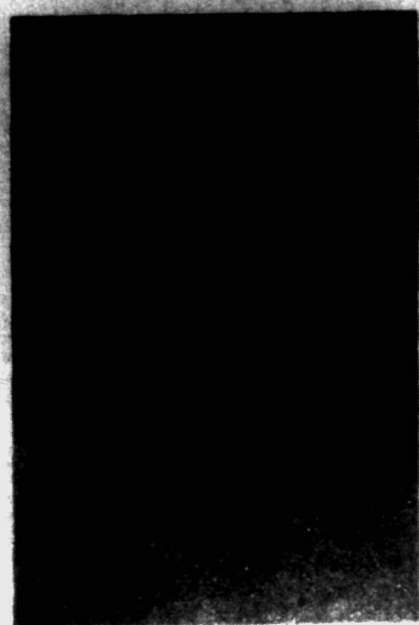

Nominating committee members elected were Lillian Lawry, Rita Anderson and Roselia Blake.

Mrs. Mary Burke, guest speaker, explained the Aunts and Uncles program within the Youth Council and the manner in which each candidate for membership was chosen, her duties and other allied facts.

Hostesses for the meeting were Ellen Swanson and Gertrude Hutchinson, who supervised the refreshment period.

"Business As Usual" at Boodakian Rug Co.

In spite of a three-alarm fire that struck the rug cleaning plant of Koko Boodakian and Sons, Winchester, it is business as usual for the well-known sales and cleaning firm. Fortunately, the showroom containing many precious oriental rugs is located in another area and was not affected by the fire.

Although the cleaning plant suffered extensive damage, many rolls of carpeting and priceless oriental rugs were saved from the storage room and suffered only minor smoke and water damage. About 90% of the rugs in storage or left to be cleaned

by the customers, were also saved. Michael, one of the Boodakian sons, commented: "We suffered the loss of our cleaning facility, but other arrangements have been made and our cleaning service will continue without interruption."

"We would also like to express our deepest appreciation for the numerous calls offering assistance from our business associates and customers alike. It is this type of unselfish response in a time of need that makes us pledge to try even harder to offer only the best product and service to our customers."

A graduate of Tufts Med. school, with training at Lenox Hill and Bellevue hospitals in New York City, Dr. Anderson maintains offices in Lexington, Somerville and Arlington. His topic will be modern x-ray techniques.

Mrs. William C. McCarty, president of the association, will conduct a brief business meeting before the program.

Coffee will be served by Mrs. John Parker, hospitality chairman, assisted by Mrs. Howard Ensor, Miss Elizabeth Cobb, Mrs. Karl Weiss, Mrs. Allan Button and Mrs. Carl Freyer.

Members of the board who plan to attend the meeting include Mrs. Charles Bankart.

Mrs. Robert Smith, Mrs. James Wilson, Mrs. Spencer Dormitzer, Mrs. Donald Petee, Mrs. Norris Hoyt, Mrs. Nelson Brown, Mrs. Richard Moran, Mrs. Edward Russo, Mrs. Alfred Yood, Mrs. Joseph Barbano, and Mrs. Norman Hasler.

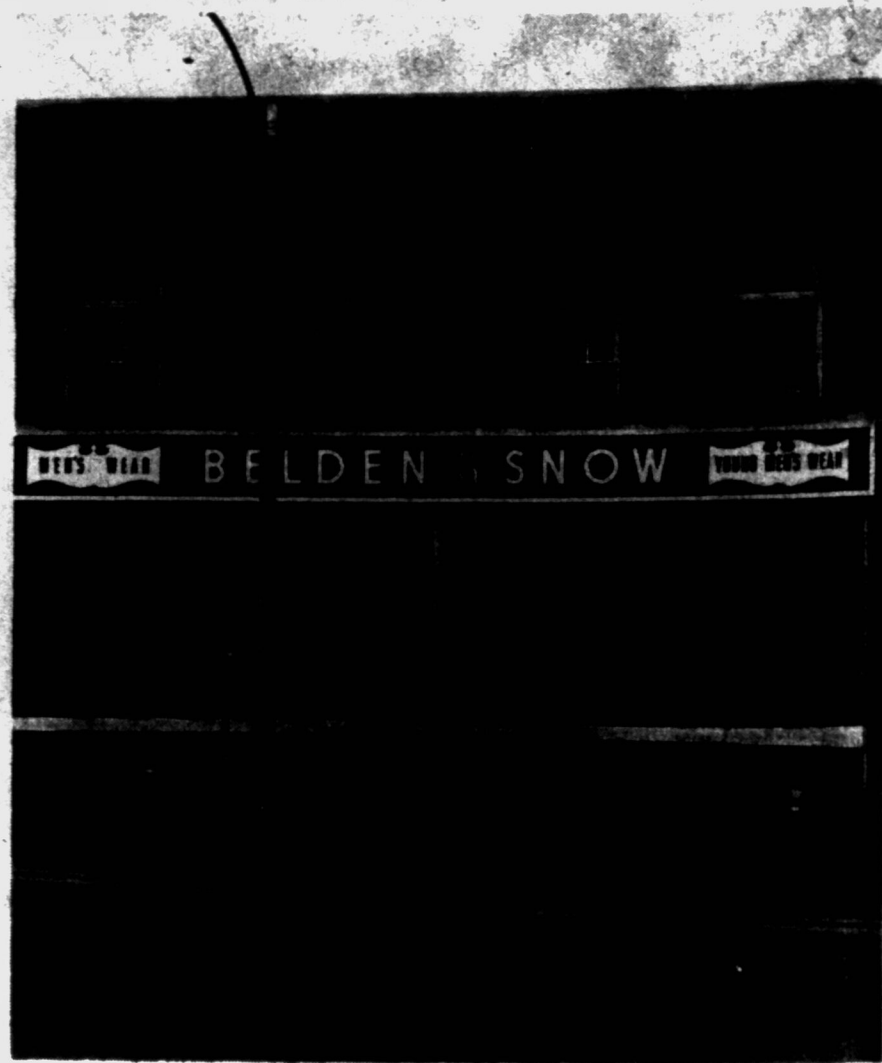

LWV STUDIES CHINA
"Mainland China" will be the subject of the 44th School of International Relations, sponsored by the League of Women Voters of Mass., to be held Wednesday, Jan. 26, in Kresge Auditorium, M.I.T.

Focusing on Mainland China, the school will deal with historical and current points of view. It will attempt to develop an understanding of the way in which the present Chinese regime has grown out of the old China, and how it represents a measure of continuity with the past, as well as a break with China's tradition.

The speakers for this annual event, sponsored by the Mass. League, are all experts on the subject of China.

Belden and Snow Co. Marks 65th Anniversary

BELDEN AND SNOW moved to new quarters at 665 Mass. ave., shown above, in 1962. The store has added to their lines, featuring fashion items for men and boys.

THE ABOVE SCENE shows Belden and Snow's men's store in 1928. This was their first location in Arlington.

Belden and Snow, Arlington's popular men's and young men's store, is celebrating the 65th year of business. The owner's are noting the event by a store-wide sale starting, to-day and continuing for fifteen days through Feb. 5.

The firm of Belden and Snow started operations in 1902 with a store in Union sq., Somerville. A second store was opened in Davis sq., West Somerville in 1918. The Arlington branch, then at 639 Mass. ave., was opened in 1928.

Both Somerville stores are now closed. In March of 1962, Belden and Snow moved to its new enlarged quarters at 665 Mass. ave., where the new store was completely remodeled and designed for easier and more pleasant shopping for its many customers. The accent is on open displays with a bright and cheerful atmosphere. The new and larger store has made it possible for Belden and Snow to add new departments and to

carry larger stocks of its already established lines.

A new "Walk-Over" casual shoe department has been added this year, plus a new, carpeted area where young men can shop for the latest in their fashion needs.

Belden and Snow is endeavoring to keep up with the trends in the ever-expanding young men's market. The Varsity Shop area caters to the junior high school through college age group.

Belden and Snow has continued to maintain their traditional high standard of quality in the new area with such well known brands as Levi, Farah, Arrow, Jockey, Walk-Over, plus many others.

When the weather's bad, start your auto trip a little earlier, the Registry of Motor Vehicles suggests. A speed considered safe for a dry road surface can prove suicidal when a street or highway is made slippery by rain, snow or ice.

THE STAFF of Belden and Snow includes, above l. to r., Walter B. Houser, David Finucane, Norman Belden, and Leonard Collins.

A CUSTOMER at Belden and Snow gets the "service with a smile," which is part of the tradition at the Mass. ave. store which specializes in men's and boys' clothing.

A COMPLETE LINE of clothing makes Belden and Snow the favorite shopping spot for both men and boys.

HATS, TIES, SHIRTS and pants are among the items arranged in meticulous order at Belden and Snow's men's store on Mass. ave.

Co-ed Night at Boys' Club on Friday

Looking for something to do on Friday nights? If so, maybe you'll be interested in the following.

There is a Co-ed Teen Activity conducted at the Arlington Boys' Club on the first and third Friday of each month.

This is a drop-in activity for sophomores, juniors and seniors of Arlington's public and private schools. The activities are not regimented nor highly organized, rather informal and relaxed.

What do we require from you? First, behavior that is appropriate for any mature young adult and acceptable in your home. Second, a registration fee for an annual membership or guest fee for one evening.

What can you do, perhaps we should say — what do you want to do? Chat with some friends over a coke; listen to or dance to some swing music on the hi-fi; watch TV; play ping pong, pool or some other game. Swim or play basketball or volleyball.

Interested? If so, "come on down" to the Boys' Club's Co-ed Teen Club tomorrow night, Friday, Jan. 21 at 7:30 until 11:00 p.m.

Nearly one hundred young people ages 11 to 17, will participate in a public recital on Sunday, Jan. 23 at Jordan Hall. They are all students with the New England Conservatory preparatory program and members of the New England Youth Chamber orchestra and the New England Youth Chamber singers.

Local members of the New England Youth Chamber Orchestra include Peggy Gonyea, 31 Linden st.; Karl Baldwin, 94 Alpine st.; and Jane Stein, 274 Park ave.

We wish to thank all of the wonderful people who called and expressed their sincere regrets over the recent fire which struck our cleaning facilities.

However, we managed to save about 90% of the rugs which were in the building, as well as many rolls of carpeting and priceless orientals which suffered minor smoke and water damage.

Our showroom was in no way affected by the fire and business continues as usual.

Anyone wishing cleaning may still call for pick up and delivery, or may deliver them at our showroom for the 20% cash and carry discount. Our on-premises rug and upholstery cleaning service is also available.
